Students must maintain a minimum grade point average of 3.0 (B) throughout the program. Courses may be applied to the Master of Science in Information Science if admitted as a degree-seeking student. If degree-seeking, you must formally apply for degree admission; completing this certificate does not guarantee admission to the degree program. After successfully completing the required course work, please notify the Engineering Division at 610-648-3277 or enghelp@psu.edu to request your certificate.
