

Graduate Certificate in Fundamentals of Leadership Required and Elective Courses

The Graduate Certificate in Fundamentals of Leadership prepares students to craft the building blocks of leadership. The goal is to acquire fundamental knowledge for the character strength-based leadership development, full range leadership development, and the effectiveness of authentic, ethical, and creative leadership. Such knowledge provides a foundation for students to become a transformational leader who will cultivate human sustainability and flourishing organizations. Upon completion students will:

- Build effective communication and creativity skills as they relate to authentic transformational leadership concepts and processes.
 - Demonstrate skills required for effective communication and promoting creativity in various leadership contexts.
- Build one's own personal authentic transformational leadership competencies through self-reflection and behavioral display.
 - Prepare a personal leadership development plan incorporating feedback from others, and personal strengths and weaknesses with respect to full range leadership behaviors.
- Foster a commitment to high integrity practices in various leadership contexts.
 - Evaluate and analyze the ethical dimension of decision making.

The Graduate Certificate in Fundamentals of Leadership will be awarded upon successful completion of the 9-credit curriculum below.* The courses are not listed in sequential order. All course work should be completed within three years of starting the certificate program. Students should e-mail questions to ManagementHelp@psu.edu.
