

MS in Information Science Summer 2024

Classes are not offered on campus for MS in Information Science students during summer semesters. Great Valley MS in Information Science students interested in enrolling in online classes during the summer 2024 semester should contact their advisor to review World Campus course options. With advisor approval, students should then reach out to EngHelp@psu.edu for enrollment assistance. The courses offered online in summer 2024 are listed below.

Note: *Summer 2024 World Campus classes are full-semester classes starting on 5/6/2024 and ending on 8/11/2024, unless otherwise noted below.*
