

Graduate Certificate in Management Essentials Required and Elective Courses

The goal of the Graduate Certificate in Management Essentials is to provide students with fundamental business skills that are necessary in almost any career today. The program is designed for people who are moving up the career ladder and whose responsibilities now require a diverse set of skills including people and team management, business development, and strategic decision making. Courses in this program provide a broad introduction of the core principles of business in areas such as organizational behavior, marketing, economic theory, and managing enterprises in a digital age.

The program emphasizes the role of a senior manager or business owner who is in a position of making strategic decisions for a company. Upon completion, students will learn effective leadership strategies to motivate teams and individuals, the role of organizational culture in shaping those strategies, market segmentation and product placement, how economic forces shape the markets, and strategies for managing in the digital age. These versatile skillsets are highly valued by any employer and provides confidence to business owners to adapt their strategies as markets and conditions change.

The Graduate Certificate in Management Essentials will be awarded upon successful completion of the 9-credit curriculum below.* The courses are not listed in sequential order. All course work should be completed within three years of starting the certificate program. Students should e-mail questions to ManagementHelp@psu.edu.
