**If you intend to pursue a degree program at Penn State in the future and wish to have these nondegree credits applied toward the requirements of your degree, it is important to note the following:**

- Nondegree students must formally apply for degree admission to their intended academic program and submit all required supporting credentials. There is no assurance that nondegree students will be admitted as degree candidates to a program.
- Like all other applicants for admission to a program, nondegree students must meet the academic requirements specified by the Graduate School and the particular academic department that are in effect at the time of application.
- All credits must be earned within five years preceding entry into the degree program.
